Factory Inspection

Disaster Site Search & Rescue

Innovating for a **Sustainable Future**

Environmental

Committed to achieving environmental sustainability, with product development concepts that include reusability and reducing unnecessary waste.

Social

Dedicated to providing equal access to healthcare services, promoting telemedicine, and narrowing the gap in health inequality.

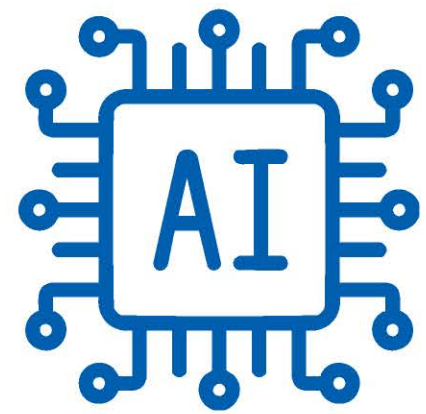

Governance

Adhering to high standards of governance principles, ensuring that the company's operations align with ethics, regulations, and societal expectations.

About Ainos, Inc.

The Nasdaq-listed company (Stock Symbol : AIMD).

Focused on
AI-driven odor
detection technology.

123

Holds
123 patents.

12+

Over 12 years of
R&D experience.
